## RESIDENTIAL GAS SERVICE

### Type of Service

Residential gas sales

### Availability

At locations adjacent to (1) Company's distribution mains, (2) existing taps on interstate pipelines as allowed by the Pipeline Company or (3) Customer-owned distribution networks when allowed by the network owner.

### Rate

Charges per month equal to the applicable charges set forth in currently effective Master Tariff, plus applicable adjustments and surcharges.

### Applicable

To a single-family residential dwelling unit supplied through one meter for domestic use and ordinary farm use when the farm use is supplied through the domestic use meter. Ordinary farm is defined as normal farming activities and production for one's own use or sale and does not include production or processing for commercial purposes.

This schedule is not applicable for residential use where such use is for the commercial, professional, or any other gainful enterprise other than ordinary farming; however, if the domestic and ordinary farm use can be separately metered, this schedule is applicable to the metered domestic and ordinary farm portion of energy use. A residence in which four sleeping rooms or more are rented or are available for rent or lease, is considered nondomestic and Commercial Gas Service Schedule will apply.

### Terms and Conditions

All service furnished hereunder to be subject to Company's Terms and Conditions as approved by Midwest Energy, Inc. Board of Directors and as revised from time to time.
