
RECREATIONAL FACILITY LIGHTING SERVICE

AVAILABLE

At locations on the Company's existing delivery system at or below 34 kV.

APPLICABLE

This Schedule is available to any account with a maximum demand from July 1st through September 30th inclusive of 25 kilowatts (kW) or more for electric service used for lighting specifically designed outdoor recreational facilities. Service for incidental purposes such as food concession facilities may be included for billing purposes under this Schedule if the incidental use follows a similar usage pattern as the lighting service.

CHARACTER OF SERVICE

Alternating current, approximately 60 cycles, single phase, at Company's standard secondary voltage available from appropriately sized transformer(s). Three phase service may be supplied at the Company's option.

MONTHLY RATE

Charges equivalent to the sum of all components itemized in the currently effective Master Tariff, plus all applicable adjustments specified therein.

MINIMUM BILL

The customer charge and demand charge plus all applicable adjustments, taxes, and surcharges.

DETERMINATION OF BILLING DEMAND

The billing demand kilowatt (kW) will be the highest of A, B, or C below:

- A. The highest average 15-minute kW demand measured during the period for which the bill is rendered; or
- B. 80 percent of the highest average 15-minute kW demand measured during the most recent three preceding billing periods with ending meter reading dates from July 1st through September 30th inclusive; or
- C. 20 kW.

RECREATIONAL FACILITY LIGHTING SERVICE

TIME OF DAY BILLING PERIODS

The on-peak period is defined as all days from 2:00 p.m. to 9:00 p.m. beginning June 1st through August 31 inclusive. All other hours are off-peak.

OTHER TERMS AND CONDITIONS

1. If the power factor at any delivery point is less than 90 percent, Company at its sole discretion may require Customer to install power factor correction equipment at Customer's expense. Determination of power factor shall be under conditions which the Company determines to be normal.
2. Service hereunder is subject to the Electric Terms and Conditions approved by Midwest Energy, Inc. Board of Directors.
