

Request for Bid

Midwest Energy, Inc. is seeking qualified distributors and/or manufacturers to provide a fabricated control enclosure for a substation project in Hays, KS. This project is being partially funded by the Department of Energy (DOE) through the Grid Resilience and Innovation Partnership (GRIP) program. Therefore, the fabricated control enclosure must comply with the Build America, Buy America Act (BABAA) requirements set forth in Pub. L. No. 117-58, §§ 70901-52. Bidders must accept Code of Federal Regulations 2 CFR Part 200 Appendix II provisions applicable to this purchase transaction.

RFP Issue Date: 8/28/2026

“East Hays Control House Procurement Package.zip” will be posted on the Midwest Energy, Inc. website until 9/18/2026.

Building specifications can be found in the document “13 34 23 23 – fabricated substation control enclosures”.

Building equipment specifications can be found in the “Specifications and Drawings” folder.

Building equipment drawings and relay panel drawings can be found in the “Drawings” folder.

Relay Panels 1-8 will be included in the procurement of this building and panels 9-10 will be left as spare positions in the panel lineup.

Sealed Bid Deadline: 5:00pm CDT on 10/2/2026

Sealed Bid Opening: 10/5/2026

Award Date: On or before 10/9/2026

All bids must be sealed in an envelope and received by 5:00pm CDT on the date listed above to:

Midwest Energy, Inc
Attn: Purchasing Dept
1330 Canterbury Dr.
Hays, KS 67601

If you are mailing a bid packet, we ask you to expedite or overnight the package to ensure delivery by the deadline. We will not accept bids by email.

The associated drawings and specifications for bidding can be found at mwenergy.com under the Community tab and the bid opportunity tab.
