If you are mailing a bid packet, we ask you to expedite or overnight the package to ensure delivery by the deadline. We will not accept bids by email.

The full material list for bidding can be found at mwenergy.com under the Community tab and the bid opportunity tab. [Bid Opportunities | Midwest Energy](#)

1. Distributors and/or manufacturers are not required to bid the entire material list. Midwest Energy will accept bids from distributors and/or manufacturers for the material they can provide the required information for.

2. All bids are required to be firm fixed-price and need to be submitted with unit pricing. All bids must include freight and any other additional charges.
3. The required material list that is posted on Midwest Energy's website has been assembled using one manufacturer per item and that manufacturer's catalog number associated with that item. Midwest Energy believes that the manufacturer listed for each item is a source of BABAA compliant material. However, Midwest Energy will accept quotes from other manufacturers that are not on the list if the item is equivalent in design and meets the BABAA requirements.
4. BABAA certifications must be submitted with the bid for all material.

If you have any questions, please reach out to bids@mwenergy.com.
